Asian Journal  
of Food Science and Technology  
of Postharvest and Mechanization

### **Goal and Scope**

The aim is to produce and publish an international refereed journal published on-line and on-print for the science and academic community worldwide. Through this journal, an accessible venue for sharing research information is provided.

The scope of the journal is specifically on postharvest and mechanization research, development and extension (RD&E). It is divided into the following content categories: Engineering, Biology and Chemistry, and the Social Sciences.

### **About the Publication**

The journal is published semi-annually by the Philippine Center for Postharvest Development and Mechanization (PHilMech) in partnership with the Sustainable Agriculture, Food and Energy (SAFE) Network. It has a print circulation of 1,000 copies per issue sent to local and international partner institutions and organizations.
